Investment Manager Commentary

Chinese equities were positive in February, driven by optimism in the domestic tech sector following the release of DeepSeek AI model. Chinese government targets 5% economic growth in 2025, and raised fiscal deficit target from 3% to 4%, indicating potential of futher stimulus to support domestic growth. Meanwhile President Trump affirms that 25% against imports from Canada and Mexico will proceed in early March, along with 10% additional tariff against China. President Trump also indicate that further tariffs would follow in April, to impose reciprocal tariffs against countries that imposed
