Manulife Indonesia and Bank DBS Indonesia Present MiTreasure Future Smart Assurance (MiTRUST) for Future Planning with Confidence

JAKARTA – Manulife Indonesia and Bank DBS Indonesia today launched MiTreasure Future Smart Assurance (MiTRUST), an endowment policy that offers peace of mind and stability in planning for the future, as well as being equipped with a life protection feature.

According to the recent Manulife Asia Care Survey, 84% of respondents in Indonesia recognize the importance of having a retirement plan and 34% consider the education of their children as the main priority. MiTRUST is designed as a solution to fulfill customer needs to safely plan for their future through life protection and fixed cash benefits that are protected against market fluctuation.

“We understand that Customers are often concerned about the uncertainties of the future. Therefore, through our continued collaboration with Manulife Indonesia, we offer MiTRUST as the solution to give them peace of mind. Providing services that are easy, safe, and trustworthy is our way of delivering the motto of Bank DBS Indonesia of Live More, Bank Less,” said Chu Chong Lim, President Director of PT Bank DBS Indonesia.

“Together with DBS, we have further strengthened our commitment to innovate our range of solutions with a goal of delivering decisions made easier and lives made better for our customers. With MiTRUST, customers will be able to plan their future with confidence and ensure their loved ones are protected” said Ryan Charland, President Director & CEO of Manulife Indonesia.

Designed as an option for fund placement in USD, MiTRUST is fitting for Customers who understand the exchange rate fluctuation risk and require USD-denominated funds for their medium to long-term plans. This product offers life benefits of Annuity and Cash at Maturity, as well as Death Benefit, as well as complements the existing wide range of solutions that are available through Bank DBS and Manulife’s strategic partnership.
